

COMMUNITY NOTICE

For
Monday
September 26, 2016

For Your Information...

Please be advised that the contractors are now in the community to commence on the hail damage repairs. They will be in our community for the next month to complete the assigned contracts.

Miigwech 😊

IMPORTANT NOTICE TO ALL PARENTS OF SCHOOL AGED CHILDREN RIDING THE SCHOOL BUS!

Bussing is a privilege and it is important to make sure all children arrive at the school safely as well as arriving home safely. With that being said' in order to ensure this happens, your child/ren are to be picked up and dropped off at the same place daily.

If an event arises where your child will be going elsewhere, those arrangements need to be made privately amongst parents/guardians. The school bus will no longer allow the children to board a different bus, nor will children be allowed to be dropped off at different locations, unless prior arrangements have been made. i.e child care.

If you have any questions regarding this memo, please feel free to contact Becky @ 481- 1049 or by email at education@nigig.ca

Current Employment Opportunities

Friday, September 23, 2016

New Gold is an intermediate gold mining company. The company has a portfolio of four producing assets and three significant development projects. The New Afton Mine in Canada, the Cerro San Pedro Mine in Mexico, the Mesquite Mine in the United States and the Peak Mines in Australia provide the company with its production base and solid foundation. In addition, New Gold owns 100% of the Blackwater project and 100% of the Rainy River project, both in Canada, as well as 30% of the El Morro project located in Chile.

New Gold's objective is to continue to establish itself as a leading intermediate producer, focused on the environment, sustainability and generating peer-leading shareholder returns.

Our Values drive every decision and action we take at New Gold:

Integrity: Do what's right

Creativity: Lead with innovation

Commitment: Deliver

Develop our Employees: Commitment to personal development

Teamwork: Leverage our collective skills
