IMPORTANT NOTICE TO ALL PARENTS OF SCHOOL AGED CHILDREN RIDING THE SCHOOL BUS!

Bussing is a privilege and it is important to make sure all children arrive at the school safely as well as arriving home safely. With that being said' in order to ensure this happens, your child/ren are to be picked up and dropped off at the same place daily.

If an event arises where your child will be going elsewhere, those arrangements need to be made privately amongst parents/guardians. The school bus will no longer allow the children to board a different bus, nor will children be allowed to be dropped off at different locations, unless prior arrangements have been made. i.e child care.
